President's Message

The trip to Vancouver, British Columbia for the MAFCA International Meet was a success. The Hozapple's, Baerresen's and Hubbard's all arriving on time. There were more than 300 Model A's in attendance. Tours were offered every day which were designed to cover a large area of Vancouver. While Gerry was Judging, Bridgette was working with Fashion Judging. Larry and Denia participated in the Hubley Races. On Wednesday we went to see a Car Collection which took up three buildings which were 100' x 100'+/= each.

On Thursday we went on the "Grand Tour" ending up at Burnaby Village Museum. The hosts offered a Repair Tent/ Car Wash Tent, Hospitality Room, Raffle Room, and spaces for sponsors. We were told that we could change our oil at the Repair Tent. The Hotel said we could not! So we went behind the Hotel and changed the oil anyway. We took the used oil to a Lube Shop. In Canada the oil comes in a 5 liter container. One gallon = 3.785 liters or One liter = 1.057 quarts. The weather was cool so the cars ran fine for the 2300 mile round trip. It was great to have Ted and Louise to share our trip along the coast of Ca., Or., and Wash.

Thanks,
Larry Hubbard
